

# EARLS BARTON TRANSPORT SHOW

Please do not print this page, it is for information only

Please print both pages of the form, ideally print it double sided (pages 2 & 3).

If you haven't previously filled in a privacy statement (GDPR) then please also print this (page 4)

Page 5 is intentionally blank, this is to aid double sided printing.

If you don't already have a fire risk assessment then please print the template for this, it is a requirement to have a fire risk assessment and it will be checked during either the setup days or show days that you have this with you (the fire risk assessment is pages 6-8).

 Please consider the environment and do not print this page and print the pages that you need to print double sided.

# EARLS BARTON TRANSPORT SHOW 2025

## GENERAL TERMS AND CONDITIONS

1. The organisers reserve the right to accept or reject any booking form enquiry. Any rejected bookings will be notified by return of post immediately stating any reasons and any cheques received will be returned.
2. The site owners, officials, members and agents of Earls Barton Transport Show accept no liability for any loss, damage or injury to any person or property during the event however such loss or damage occurs.
3. All traders shall have Public Liability Insurance to cover their activities for a limit of indemnity of not less than £5,000,000 for any one accident and the organisers reserve the right to inspect the insurance certificate on entry. Any trader not insured or not conforming could face expulsion from the event.
4. No vehicle movements are permitted on site unless specifically directed by an official. All vehicles entering the site must display the relevant Vehicle Pass to the event, they must have dipped beam headlight on and not display hazard warning lights and adhere to the 5 mph speed limit at all times whilst on site.
5. The allocation of pitches shall be at the sole discretion of the organisers every endeavour will be made to ensure fair-trading. Outside stallholders must make their own provision for supplies of electric and receptacles for drinking water. There will be no sub-letting of stalls or pitches to other parties. Only goods indicated on the booking form may be sold.
6. Generators must be sited well away from tents, awnings, marquees and caravans with the correct earth spike fitted. **All generators must be turned off between the hours of 23.00 (11pm) and 06.00 (6am).**
7. Health & Safety regulations must be adhered to at all times whilst on site, all contractors or service providers must present up to date risk assessments for their activities to the Safety Officer.
8. All chemical toilets must be emptied into the correct elsan points provided.
9. All traders must be equipped with their own fire extinguisher of an appropriate type.
- 10. There will be no loud music played on site other than entertainment pre-booked by the organisers.**
11. All dogs must be kept on a lead at all times whilst on site and all mess to be cleaned up immediately. Any guard dogs must be chained at all times with chains not to exceed 12ft. Any owners not adhering could face expulsion from this event.
12. All tenants will be responsible for the clearance of litter. All litter must be discarded into the rubbish bins provided. All traders are responsible for the clearance of litter on and within 20ft of the frontage of their pitches. Stands creating litter by means of their sales or offers, issue of tickets, leaflets or samples must provide a suitable container at all times.
13. All stands must be ready for business 15 minutes before the opening times and remain open until the event closes to the general public with all delivery vehicles off of the general public site until the event closes to the general public, **the event is open to the public between 10am and 5pm each day.**
14. No food or drink may be sold without either a catering concession or prior agreement with the organisers. All vendors of food must comply with the local health regulations and have relevant certificates readily available the organisers reserve the right to inspect them at any time whilst on site.
15. There will be no refund of any pitch fees for any reason other than if a booking has been rejected or the event being cancelled up to 1 week prior to the event.
16. Payments by cheque must be received no later than 2 weeks prior to the event, otherwise payment will be by cash on arrival.
17. The organisers reserve the right to alter, amend or add to these conditions. They cannot be liable for any additional restrictions, which may be applied by the site owners at any time. Any decision made by the site owners, organisers, officials and event security is final.
18. Risk assessments (if applicable) and fire risk assessments must be available for inspection at any point over the setup or show. A committee member or a nominated representative may request to see these at any point while you are on site. Copies of which must be sent in with your application form.

## TRADERS AND MARKET STALLS

Name of Unit/Stall:

Contact No. on site:

Location on site:

In order to comply with relevant fire safety legislation you **MUST** complete a Fire Risk Assessment of your stall or unit. The Risk Assessment needs to identify the fire hazards and persons at risk, you must endeavour to remove or reduce these risks and protect people from fire. Failure to comply with this requirement may result in you being removed from the site. You must be able to answer YES to the following questions.

This signed and completed form must be maintained available for inspection by the Fire & Rescue Service/Event Organiser/Council Officers at all times.

You must undertake a Fire Risk Assessment for your unit, which must be suitable for the circumstances. You do not need to use this form, and may use another method if you wish, however, this form is considered to be suitable for most standard market stalls and units.

		Action required (please tick)	YES	NO
1	Are adequate exits provided for the numbers of persons within the unit or stall? (Are your staff and customers able to evacuate easily if the normal exit is blocked?)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
2	Where necessary, are there sufficient directional signs indicating the appropriate escape route and do they comply with current regulations?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
3	Are the exits maintained available, unobstructed, and unlocked at all times the premises are in use?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
4	If the normal lighting failed would the occupants be able to make a safe exit? (Consider back up lighting).	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
5	Do you have an adequate number of fire extinguishers/fire blankets available in prominent positions and easily available for use?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
6	Has the firefighting equipment been tested within the last 12 months? Note: a certificate of compliance will normally be required.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
7	Have your staff been instructed on how to operate the firefighting equipment provided?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
8	Have your staff been made aware of what to do should an incident occur, how to raise the alarm, evacuate the unit, and the exit locations?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
9	Have you identified combustible materials that could promote fire spread beyond the point of ignition such as paper/cardboard, bottled LPG, etc, and reduced the risk of them being involved in an incident?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
10	Have you identified all ignition sources and ensured that they are kept away from all flammable materials?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
11	Are the structure, roofing, walls and fittings of your stall or unit flame retardant? Note: certificates of compliance will normally be required.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

		Action required (please tick)	YES	NO
12	If any staff sleep in the stall is there a working smoke detector and a clear exit route at night? Note: Persons should not be allowed to sleep within a high risk area and some Authorities and events do NOT allow any sleeping within units.		<input type="checkbox"/>	<input type="checkbox"/>
13	Are you aware that you must not stock or sell certain items, ie, fireworks, garden flares, household candles, tea lights, etc?		<input type="checkbox"/>	<input type="checkbox"/>
14	Do you have sufficient bins for refuse? Is all refuse kept away from your unit?		<input type="checkbox"/>	<input type="checkbox"/>
15	Are you aware that petrol generators may not be permitted on site?		<input type="checkbox"/>	<input type="checkbox"/>
IF YOU USE LPG		Action required (please tick)	YES	NO
16	Do you have an inspection/gas safety certificate for the appliances and pipework (copy to be available for inspection) and are all hose connections made with "crimped" fastenings?		<input type="checkbox"/>	<input type="checkbox"/>
17	Are the cylinders kept outside, secured in the upright position and out of the reach of the general public?		<input type="checkbox"/>	<input type="checkbox"/>
18	Are appliances fixed securely on a firm non-combustible heat insulating base and surrounded by shields of similar material on three sides?		<input type="checkbox"/>	<input type="checkbox"/>
19	Are the cylinders located away from entrances, emergency exits and circulation areas?		<input type="checkbox"/>	<input type="checkbox"/>
20	Are the gas cylinders readily accessible to enable easy isolation in case of an emergency?		<input type="checkbox"/>	<input type="checkbox"/>
21	Do you ensure that all gas supplies are isolated at the cylinder, as well as the appliance when the apparatus is not in use?		<input type="checkbox"/>	<input type="checkbox"/>
22	Do you ensure that only those cylinders in use are kept at your unit/stall? (Spares should be kept to a minimum and in line with any specific conditions for the event).		<input type="checkbox"/>	<input type="checkbox"/>
23	Is a member of staff, appropriately trained in the safe use of LPG, present in the unit/stall at all times?		<input type="checkbox"/>	<input type="checkbox"/>

If the answer to any of the above questions is "NO", please detail the actions you have taken to remedy the situation.
